Public Information

Agenda Item	Area 31 input	GSC Outcome
review comprehensive media plan	N/A	The committee reviewed the 2014 Comprehensive Media Plan. Because this document will be reviewed and updated on an annual basis, the committee asked the staff secretary to forward some suggestions to the trustees' P.I. Committee, including the following: <ul style="list-style-type: none"> ○ Clarification of some terminology since the plan is distributed widely to A.A. members who may be unfamiliar with media jargon. ○ Adding annual review of the plan by the Conference P.I. Committee to the cover memo under "process." ○ Emphasis on items not only being "actionable" but also, whenever possible, "measurable." The committee expressed strong support for the forward-looking vision of the Comprehensive Media Plan regarding seeking member-submitted content for future Public Service Announcements, similar to the model used for the Young People's Video Project.
consider report on GSO's AA Web site	N/A	The committee reviewed the 2013 Annual Report from the trustees' Committee on Public Information regarding G.S.O.'s A.A. website. development of video on anonymity	support	The committee reviewed a progress report on development of a brief video on anonymity for inclusion with the Annual Letter to the Media, and expressed support for the content and purpose of such a video. The committee requested that if such a video is created that it be brought back to the 2015 Conference Committee on Public Information prior to posting or distribution. The committee recognized that this may mean delayed mailing of the Annual Letter to the Media until after the next Conference. The committee also expressed support for the idea of using both Class A and Class B trustees in the video, with the Class B trustees' anonymity carefully protected, to serve as an example of how A.A. members can share information about A.A. in the media within the spirit of our anonymity tradition.
Discuss how delegates might stimulate local discussions re: anonymity	recommend workshops	
<p>🕒 ADDITIONAL COMMITTEE CONSIDERATIONS:</p> <p>🕒 The committee expressed concern about possible inconsistencies between retiring certain P.S.A.s because of conflict with the current full-face policy, and posting video content on AA.org that may also be perceived to conflict with this policy. The committee asked that the A.A.W.S. Board consider offering the video <i>Hope: Alcoholics Anonymous</i> via a digital platform accessible by local committees, rather than displaying this content on publicly accessible pages of the AA.org website.</p> <p>🕒 The committee agreed with the assessment provided in the report from the trustees' Public Information Committee on A.A. Video P.S.A.s regarding the P.S.A.s "I Thought," "A Force of Nature" and "Testimonials," including the suggestion that as new P.S.A.s are developed that these three items be retired as quickly as practical.</p> <p>🕒 The committee considered two proposed items from the report on the 2014 A.A. Membership Survey from the trustees' Committee on Public Information regarding A.A. member awareness of services offered by G.S.O., and A.A. member awareness of the A.A. Grapevine, and took no action. The committee recognized the potential usefulness of gathering such information, but did not believe these questions fit the historical purpose of the A.A. Membership Survey.</p> <p>🕒 The committee strongly supported the idea of utilizing digital survey methods for future surveys, and looks forward to hearing from the trustees' P.I. Committee regarding how such a transition might best be accomplished.</p> <p>🕒 The committee reviewed presurvey communications for area delegates and groups randomly selected to participate in the 2014 A.A. Membership Survey, and offered some suggestions to the staff secretary for how such communication might be most effective and helpful. The committee acknowledged that successful administration of the survey depends upon delegate participation in the process.</p> <p>🕒 In light of ongoing anonymity concerns, the committee suggested that delegates and other trusted servants utilize a variety of means, such as workshops, newsletters, panels, delegate reports, local A.A. websites, skits, presentations, etc., to stimulate A.A. members' discussion on how to maintain anonymity at the public level. Because the ranks of our ever-changing membership exist in an ever-changing world, the committee acknowledged that such efforts truly have no end-point, and might best be incorporated as a regular part of local A.A. discussions and events. The committee asked the staff secretary to explore both direct and indirect ways of sharing these concerns, and a list of A.A. resources on anonymity, with the A.A. Fellowship. The committee also asked the staff secretary to share the following suggestions with the 2015 International Convention coordinator for emphasis on anonymity at the International Convention via the following means:</p> <ul style="list-style-type: none"> ○ Pre-Convention registration and communication materials, including AA.org. ○ Hospitality suite communication and materials. ○ Consideration of an anonymity booth or similar display. <p>🕒 The committee reviewed the contents of the P.I. Kit and Workbook, and suggested adding the following items:</p> <p>Anonymity Online (SM F-197)</p> <p>Anonymity Card (F-20)</p>

AA Directories	N/A	The committee considered the A.A. Directories (Canada, Eastern U.S., and Western U.S.) and requested that the General Service Office explore alternative methods of accessing and distributing the contact information contained in the A.A. The committee agreed that the entire <i>Final Report</i> should continue to be professionally edited and published, and noted that they had discussed the Area Service Highlights in 2013. The committee requested that the memo to first-year delegates regarding Area Service Highlights emphasize that the Highlights may be edited for the <i>Final Report</i> .

Treatment / Special Needs - Accessibility

Agenda Item	Area 31 Input	GSC Outcome
expand scope of pamphlet "Bridging the Gap" to include corrections activity	support	The committee thoroughly considered a proposal to revise the pamphlet "Bridging the Gap" to expand its scope to include information on related corrections service activity and took no action . The committee acknowledged the desire in some areas for a generic Conference-approved pamphlet about bridging the gap. While some areas have combined corrections and treatment bridging the gap activities, they remain separate in many others. The sense of the committee was that revising the current pamphlet to include both treatment and corrections might not adequately address the variety of bridging the gap programs that areas throughout the U.S. and Canada have developed to address their specific needs. Some of these areas have developed service material tailored specifically to explain their local programs.
<p>🕒 ADDITIONAL COMMITTEE CONSIDERATIONS:</p> <p>🕒 The committee requested that the General Service Board consider whether there is a need to develop a Conference-approved pamphlet addressing bridging the gap activities for corrections.</p> <p>🕒 The committee reviewed the Treatment Committee Kit and Workbook and agreed that the current contents adequately serve the needs of local committees.</p> <p>🕒 The committee reviewed the Special Needs/Accessibilities Kit and Workbook and expressed appreciation for the service material that is available to assist American Sign Language interpreters. They noted that the Twelve Steps and Twelve Traditions are available in this format, and requested that a service piece be developed of the Twelve Concepts for World Service for signing purposes.</p> <p>🕒 The committee noted that the first line in Gloria's Story in the pamphlet "A.A. for the Alcoholic with Special Needs" that says "I was 84 years old and 11 years sober (Although I've been in A.A. since 1962...)" might be confusing to newcomers. They requested that the trustees' Committee on Cooperation With the Professional Community/Treatment/Special Needs-Accessibilities consider whether this language might be clarified and bring back any suggestion for revision to the 2015 Conference Committee on Treatment/Special Needs-Accessibilities.</p> <p>🕒 The committee asked that the staff member on the Treatment/Special Needs-Accessibilities assignment explore ways to provide electronic versions of the Workbooks and other materials in the Kits to committee chairs as an alternative to automatically mailing hard copies.</p>

<p><u>Proposed Anonymity Card</u></p> <p>The A.A. principle of anonymity at the public level is one of A.A.'s oldest protections and has helped attract countless newcomers from out of the shadows and into the rooms of Alcoholics Anonymous. Therefore, anonymity breaks on the Internet, social media, and all other forms of public communications are not only contrary to our Tradition of personal anonymity at the public level, they can scare away a problem drinker reaching out for help.</p> <p>In the spirit of anonymity A.A. speakers and A.A. members ought not be photographed, video recorded, or identified by full name on audio recordings, and in published or broadcast reports of our meetings including online resources accessible to the public. The assurance of anonymity is essential in our efforts to help other problem drinkers who may wish to share our recovery program with us. And our Tradition of Anonymity reminds us that A.A. principles come before personalities. (Conference voted not to consider)</p>
