

## **To area committee members:**

I was notified recently that **the 70th General Service Conference will take place this year**, but it will be conducted under a modified schedule. It will still be during the same week as originally scheduled (April 19-25, 2020) **but will be via remote meeting technology.**)

**This means that I will be staying home but will participate in the conference on my computer.** I am still very much looking forward to participating in the conference on behalf of our area. Thank you for giving me the privilege of representing our Area!! **(See area 31 web site for the full letter on this from GSO.)**

I know everyone has been informed that the Mini conference and Area Assembly has been canceled. Since we are not having the mini conference I just want to ask you to **please give me any thoughts and or ideas you or your group/district have relating to any of the conference agenda items. (Those are what was in all the packets, including those who received workbooks and kits) we have been handing out at all the committee meetings over the last two months.**

I would prefer you send me your thoughts, ideas and feedback to me via e-mail: at [delegate@area31aa.org](mailto:delegate@area31aa.org) but I am open to receiving feedback what ever way is best for you. You could call me (my number is in the Area 31 Service Directory) if you are more comfortable by phone or you can call to make other arrangements.

Yours in Love and Service,  
Paul
