

District Meeting report from the Fall Assembly 2014

We had the Fall Assembly in October the Workshops were very informative I sat in on what's working well in the Committee workshop in the morning and in the afternoon the workshop I sat in on what working well the Districts and how can we enhance and duplicate this.

I talked about what the District has been doing and how we worked at getting more GSR to the District meeting and how to keep the GSR coming back.

Thanks to the GSR that did attend the Fall Assembly

On Sunday we heard from the Committees and the Districts on what's going on in the last 6 months.

I mention our newly Elected for next year (see me at the end of the meeting) and mention our Workshop (whom is going to facilitate the Workshop) I printed some of the flyers for you to bring to your home group

Thanks AnGie for doing the flyer
