

FALL ASSEMBLY 2014

District Highlight

District 5 continuing to read from the Service Manual, Concept and Tradition of the month. GSR volunteer each month to lead the discussion. The district continues to have good GSR participation with 15-20 GSR each month and there has been good enthusiasm.

The Green St Group is still having issues with singleness of purposes. The East Longmeadow Group is going to start having their Beginners meeting and Speaker meeting at the same time in 2 different room do to the lack of participation at the Speaker meeting. Some of the groups said they have low membership. The group's report they have incoming & outgoing commitments and go to a Detox's. Thanks to the GSR's and the LCM we were able to visit a lot of the Dark groups. Some of the groups have had elections and now have a GSR.

We had our elections in October
