GROUP ANNOUNCEMENTS:

None

OLD BUSINESS: None

NEW BUSINESS:

- ___ Area 31 has a monetary surplus and has tabled a motion from last month to donate money to the Berkshire Intergroup. This motion is to be expected to be voted on next month. Mike R was in attendance and was asked to return to IG for our thoughts on the matter. Wassa IG has had a good month for donations so Mike R suggested we forgo any monies offered us to the Berkshire IG as they are operating in a deficit monthly. Discussion ensued. The General Consensus is that WM IG is happy to forgo the donation to B IG as it seems they need the money more at this time.
- ___ Question posed to Mike R on Answering Service and why the automated message runs for a minute before letting people know to press 1 if they are having a problem with alcohol. Kevin explains that the answering service is in 15 second increments and the task is to speak clearly and somewhat slowly and relay location, office hours, COVID restrictions, and website information so callers looking for general information get screened out before utilizing the answering service which can be costly.
