

Spring Assembly ~ Website report
area31aa.org

The website continues to be a small group ~ currently only The Holyoke Group is sending representation monthly. New, since the Fall Assembly, we have had a change in the availability of our Back Up Webmaster. She is currently no longer able to serve. We are hoping to find another candidate who can be available to fill this position. If interested please contact either the Webmaster or Website Committee.

- The committee has spent many months creating and modifying a pamphlet, which is now complete and in the process of being printed. The pamphlet will be available soon for distribution ~ if there are any Districts or Committee's that would like a visit from a member or the website committee to explain access to the Website or would like the pamphlet literature, please contact us at: website@area31aa.org
- The website committee voted to change the wording of the website disclaimers to read as follows:

This link will take you to another site. Please be aware, though, that the Area 31 General Service Committee is responsible only for the content and policies of its own site.

*This has been completed
