

Website Committee Report  
February 14, 2018

The Website Committee met on Wednesday January 24<sup>th</sup>. In attendance was  
Bob-Webmaster  
Sally-Web Editor  
Ben- Chair  
Amy Co- Chair  
Terri- Prior Chair  
Jen- Group Rep from The Holyoke Group  
Paul- Alternate Delegate

We Welcomed Jen, our First Group Represented form the Holyoke Group. She is a welcome addition to the committee!

We discussed re-formatting the website pamphlet and Amy and Jen said they would work on that this month so hopefully we will have it ready soon for groups to put in their literature racks. Bob reported on progress on making the [area31aa.org](http://area31aa.org) site mobile friendly and we all gave input on using WordPress for that purpose. Also discussed was bilingual translation of portions of the website. We have the new boards and will be putting them together soon. We also had a good discussion about how to get the word out for the website, and the fact that there seems to be much confusion among AA members as to the difference between the Intergroup website and the Area Website.
