Archives Report:

10 people attended the Archives committee meeting this month. Bobbie held a service day on 11/29; no one came, but she got a lot done. The committee is looking to purchase a new table. Archives boards went out 20 times this year. They are in the process of converting tapes to CD's, and there was a discussion around how they will dispose of the old tapes.

Area Report:

The committee budget meeting was held this month. They voted to transfer more money to the Prudent Reserve before distributing what is left in the Checking account to various committees. They believe there is too much money in the Checking account. The committee voted against adding new MA residents who were past delegates from HI to the Service Manual.

WMYPAA decided to co-host events with the new MSCYPAA bid committee, but we cannot handle their money.
