Invited guests

Sally-Registrar ~ Is the area's link to New York. Delegates have read only access to the database. This site is where groups are registered with group name number historyGSR and their contact information. Sally is the one who maintains this information. For a group to be registered is when they truly are a part of AA. Groups can give contact information from the group if there is no GSR is available. There are unknown group i9s GSO lingo for a group that has no GSR ever listed ever or contact information therefore they New York doesn't know about them. There is a group change form and a GSR kit are on the website but will be starting to get the physical kit soon. The general manager of GSR sent out a letter in November and if your group is listed in the database you got the letter and are able to vote.

Yolanda-Intergroup ~ If you have a GSR, you need to have an intergroup rep. They are going to host an alkathon on Thanksgiving. If you need to go to get literature, call first to make sure Joy is there. August 18 is the intergroup picnic. They are the group that knows what is going on like picnics etc. They are supporting the groups. For the Alkathon they are looking for a space and then they will decide if it will be 12 or 24 hours.

Bob-Area Chair ~ There are 5 standing committees and they don't have participation- PI, CPC, Round Up, Intergroup, GVrapevine. Groups should really spread the word about these standing committees and try to get people active. Newcomer packets are available, it is up to the groups to build their own newcomer packets

Janet- DCM (Area 31 report) ~ WMYPAA meets the first Sunday Of the month at 4PM for a traditions meeting then at 5pm they hold their biz meeting. This is at the Serenity Club(Monkey Wrench building in Springfield.)

*Mark will read chapter 6
