Group Check-Ins

- Saturday Night Beginners Group - Going well with great attendance, a full room and a lot of newcomers. Group put together newcomer packets which are going well. Group is still meeting in the chapel and hoping to move back into normal space soon.
- Chapman Street Group (7pm Friday nights at the Grapevine) - The Group is rebuilding itself after the pandemic. A lot of people dropped off and the group is now starting to regroup, get active. Well-attended meeting. The group used to do commitments and are looking to start to do those again.
- Making Progress Group - All is well. About a month ago started using a new Zoom ID for their hybrid meeting.
- The Only Requirement Group - Steady attendance and a steady good time. Group is having more of an influx of incoming groups and outgoing commitments. Group is planning a group picnic for sometime in August 2022 to do something fun.
- "I" Opener - All is well. Group meets online and in person (separately, not hybrid). The in person numbers are up with ~25 people. There are ~50 attendees on Zoom, which is significantly less than group has had on Zoom.
- Better Safe Than Sorry - Group is fully online, going well (averaging 25-30 people per night), and still attracting newcomers. A group inventory is being planned for August.
- Haydenville Sunday Night Life - All is well. Numbers are a little bit down with ~50 people per meeting, which is pretty normal for the summer. Group has a group inventory coming up at the end of July.
- New Perspectives - Group has shifted in the last six months to having more people in person than on Zoom. A lot of newcomers are attending in person.

Will C to present on Tradition 7, which states: "Every A.A. group ought to be fully self-supporting, declining outside contributions."
