Meeting started at 7:30 pm

Present: Lee (Singleness of Purpose), Thomas D (Mon Nite Beg Grapevine), Bobbi P, Area Archivist, Dan B. (Haydenville, Sunday Night Life Group, Frank M. (Holyoke Group)) and Mike B., Area Chair

Area Update:

Getting ready for the Area 31 Fall Assembly. Looking at District 5 or 6 locations. More to come.

Round-Up June 14, 15 & 16 at the Clarion Hope all can make it. We will have our Boards at the Round-Up.

Archivist Update:

We currently have approximately 80 history forms from groups in Area 31. There are over 400 groups in the area. We are looking at putting the groups by District on the Website who have a start date. Bobbi will talk with the Registrar to get the lists.

We are also setting up a date to have a Workshop to continue our work on the Archives Workbooks. We have the histories from 2014 to present so we need to complete that task and then move on to putting together a "Motion Book" which will include all major motions made at Area Assemblies. This will make it easier for anyone to find a certain motion and when it was made and exactly what the motion says. Our first workshop will be June 30, 2019 from 2:00 – 4:00 pm at 474 Pleasant St.

Bobbi learned that the General Service Office in New York will only accept 35 individuals from a bus trip to the GSO. The question was asked, can we look at 2 tours (one in the morning and one in the afternoon). Bobbi will call New York next week to try to get a date for September, 2019 and ask a few questions about numbers able to participate.

Meeting closed at 8:15 pm
