Kate won't be able to get Mike for the September meeting. We had a discussion on the location of the boards. Bobbi P made arrangements to get the boards to Frank.

Mike will speak at our October meeting for the first half hour followed by our business meeting. There was also some discussion on whether we should record or not record. It was more of a technical question as Immer will do the recording on zoom, but not so sure on the hybrid.

Carol lead a discussion on who to ask to speak, someone who knows a lot about the history of aa and area 31. Bobbi P was suggested as someone who would know of such people.

Enfield John of the Randall group has requested our boards. Frank will get the boards and contact him and bring the boards to the Longmeadow meeting.
