Annie suggested we contact school nurses and adjustment counselors

Delegates report, Mark.

-theme for 2016, "Our Spiritual Life"

- Membership and donations are down, expenses are up

- AA and society is changing, maintain our singleness of purpose

Old Business

No reply from Area 30 regarding joining the conference in New Hampshire

Questions raised: What's our cost? What's our role/part? How much time do we commit to?

Does it require an over night stay? Should we bring this back to groups?

Mark: This is not a violation of traditions

Annie reported feedback from South Hadley Group which questioned why

we are paying for this and does this lead to or suggest affiliation?

One concern is that judicial system is sending people with all sorts of afflictions to AA.

The original information came from GSO. AA has been there before.

New Business:

Mock Presentation for July: Rosie

A motion was raised to move the mock presentation before old business. Passed.

Respectfully,

Tim P, CPC secretary
