Congrats. to GVR Carol on one year of sobriety

We have two reps who have volunteered to write and record their stories in the next two months with the grapevine audio project.

Our September meeting will have discussion and information regarding the Grow Your Grapevine Contest. It is a year long contest of Grapevine Activities with prizes and a place for area31 in an edition of the GV magazine.

GVR's should involve their groups. GV committee will also participate as a group.

Sue our area chair visits to keep us updated on district workshops and fall assembly and area help for group inventories and speaking commitments about general service.

Judy records her story for the Grapevine Audio Project.

Her story is about her healing in AA and her love of AA hugs!

We hope to find her story in a future edition of the Grapevine Magazine.
