

Grapevine Meeting March 1, 2022

Attending in person were Bob, webmaster (standing in for Cindy the co-chair) and Steve the Alternate Delegate. Reps from 3 groups attended: SH Friday Night in person, Do or Die and Daily Reflections on Zoom.

Basic information about the GV was read. Mentioned that Grapevine has a program called 'carry the Message' where groups or individuals can donate a subscription to be distributed to those who can't afford to purchase one on their own. This eliminates the need for figuring out where to send the magazine.

South Hadley Friday Night - has a new corkboard for information on relapsing stories.
