- What is the Round-up?

The Western Massachusetts A.A. Round-up is an area service event held once a year over the course of one spring weekend. The main purpose of the Round-up is to provide our Area 31 Delegate a forum from which to give an informative report on the Agenda Items discussed at the General Service Conference, held in New York City each year in April. Our current delegate and trusted servant is our link in the chain between groups in our area and the General Service Conference. As well as keeping us informed on what is going on, our Delegate also brings information, questions and concerns from our area to the conference. (From the Area 31 Handbook, page 23)
