

The Round Up committee had a productive meeting on Wednesday, thanks to everyone who attended. If you attended before but have not gone to the last few, you are still more than welcome to jump back in.

Tom and Mike were able to secure the where and when for the 2024 WESTERN MASS AA ROUND UP ...

WHERE: St. John's Lutheran Church in Westfield (site of the Whip City Nooner), which has space for 200 people.

WHEN: June 1, 2024, time TBD but probably 9 am-9 pm or so

PRICE: \$20

It will be a ONE-DAY event this year, given our time constraints, but we're going to make it a fun and worthwhile day for everyone who attends. We won't be able to have breakout rooms but we'll do the best we can to accommodate all displays, tables, raffles, etc.

The plan is to have a pizza lunch and to have a catered spread for dinner (tickets required) for those who pre-register.

NEXT STEPS

We compiled a short list of what we need to do in the coming days/weeks.

1. Get hall and set date. ✓
2. Establish a PO Box for registration
3. Work out getting fliers printed
4. Talk to Matt the Caterer and get prices
5. Work out a program.
 - Steve, our delegate, will deliver the annual report
 - Steve will get a keynote speaker
 - Steve A. will get long-timer speakers
 - Beth from AI-Anon will get 2 AI-Anon speakers.
 - 90 minutes each for lunch and dinner set up and break

Again, anyone who wants to should message us and jump back in. It's all hands on deck time. The next meeting will be APRIL 10 at 6, 30 Carew St. in South Hadley.

Thanks!
