

**GROUP ID NUMBER LOOKUP---BY DISTRICT
AREA 31 WESTERN MASSACHUSETTS
November 2022**

- ❖ For several years, the General Service Office (GSO) has been transitioning to new Group ID numbers. The Group ID has 9 digits. Please use all 9, including any leading zeros.
- ❖ GSO is phasing out the old 6-digit FNV numbers. For now, groups can still be identified using their old numbers, but eventually only the newer 9-digit Group ID will work.
- ❖ This chart lists active groups alphabetically by district, with both new and old numbers. If you have questions, please email the Area Registrar at registrar@area31aa.org.
