Further Comments:

Please continue to announce at the meetings you attend that our treasury is not what it should be and encourage people to ask their groups to contribute more regularly.

I will again send out the group contributions to the DCMs so that they may hopefully encourage some groups in their districts who are contributing to send GSRs to the district meetings as well as find some groups who are not doing either.

There is an ongoing issue with the cancelling of the Comcast account which has yet to be resolved. We expect more will be revealed in the next report.

Thank you for supporting AREA 31 Western Mass General Services.

Respectfully submitted,
