Further Comments:

Please continue to announce at the meetings you attend that our treasury is not what it should be and encourage people to ask their groups to contribute more regularly. This month we had a more even showing from all districts. Does anyone claim the Virtual Sober Sunrise Group in their district? I could not find them on my list (#000410613).

I will again send out this running list of group contributions to the DCMs so that they may hopefully encourage some groups in their districts who are contributing to send GSRs to the district meetings. We are hoping that the DCMs have been able to find some groups who are contributing but not sending a GSR to their District meeting. I am available to visit the districts if you need information about the 7th tradition and where our treasury goes.

Apparently, the Comcast issue has been resolved and the account has been closed.

Thank you for supporting AREA 31 Western Mass General Services.
