Further Comments:

Please continue to announce at the meetings you attend that our treasury is building up to what it should be and continue to encourage people to ask their groups to contribute regularly to our Area. This month we had a lighter showing from all districts, although some larger contributions made up for the lack of checks.

I will again send out this running list of group contributions to the DCMs so that they may hopefully encourage some groups in their districts to send along a rep to discover the district meeting and what news that their group is missing.

I continue to be available to visit the districts if you need information about the 7th tradition and where our treasury goes.

Thank you for supporting AREA 31 Western Mass General Services.

Respectfully submitted,

Kate V.
