

## CPC Oct. 14, 2025 Minutes

CPC met at 6:30 pm. at 30 Carew St., S. Hadley and virtually. We had 5 reps. and 2 interested listeners in person, 4 reps. virtually, Laura as virtual facilitator and Bob, Area Chair, in attendance.

\*Old business is the review of the items that CPC has been in the process of developing, which I will list after the general rep. reports.

- Tania reported that the commitment her and Mike did at Bay Path went well and they have a list of 55 names of Physician's Assistants who may have further inquiries etc. She also stated that Massability has not returned her call.
- Caren, Keith and Alyssa executed the Westfield State commitment, it was the first presentation with the new Presentation Guide. Alyssa and Keith told their stories and there was a Q&A session. Caren asked how the ones, who have gotten to experience the new Presentation Guide, how they felt it worked and it was reported that it works well.
- There is a Springfield College commitment on Thursday night, the 19th, at 7pm. Bruce was going to fulfill it but he is not feeling well and so Caren solicited presenters. It's going to be Caren and the new Co-Chair, Sam who will now facilitate the presentation.

“Old Business” coming to completion:

The CPC postcard is done, Caren handed them out to the reps. present and we were able to view them virtually. Caren, with help from Brian W., did a fantastic job and the committee liked the final product.

Caren showed us the new Presentation Guide, which as aforementioned, has been utilized with success. The committee appears to approve of the new Guide and was glad to hear it was helpful in the presentations that it has been used.

Caren shared with us the 6 month Report she will be giving at the Fall Assembly. It's quick, as the Area Committee likes it. The Report also leaves a few moments for Q&A.

Caren has to give a 10 min. presentation at the Fall Assembly, she shared it with us. She was able to give a great snap shot of what CPC does, is and why we do it.

New Business: none

Our invited guest was Bob, Area Chair. He gave the particulars on the Fall Assembly (this Sat. 9am-3pm & Sun. 1pm-5pm at 300 Appleton St., Holyoke), MA. State Convention, NERF, and NERAASA. He also shared with us that the Area Committee does do commitments at our home groups and are the resource to schedule a group inventory.
