CPC met at 6:30pm at 30 Carew St., South Hadley. There were 7 CPC committee members participating, 4 in person and 3 online. We opened the meeting with The Responsibility Pledge. The secretary report was read and accepted.

Old business: Caren reported that the CPC boards are damaged, they were that way when she received them for the MA. State Convention last month. She stated that the Convention went well for CPC.

Progress is continuing to be made for the CPC page on the Area website. Caren went through all the new sections with us and showed us some of the videos that are available through the updates. Tom was able to put Caren's ideas on the site which has made it informative and detailed without being cluttered and overwhelming to navigate.

New Business: Tania gave a brief summary of what she experienced at NERF concerning CPC responsibilities. She also was able to hand out some of the postcards, that were developed this year, to other CPC committees in other regions and gave some to the CPC rep. from GSO. Next month she is going to give a detailed account of what she learned from attending the CPC workshop at NERF.
