

CPC Minutes for Jan. 13, 2026

We had 8 members online and 4 in person. Justin, the new Area Chair was our invited guest.

Liaison Report on last month's activity is that we did not receive any new numbers, contacts.

Old Business: we had no commitments last month.

The boards were damaged when Caren went to use them at the Ma. State Conv. They were inspected tonight to see if they could be repaired or if they need to be replaced.

New Business: we had discussion in getting new members and returning members up to speed with the work CPC, Caren and Tania have been doing. Items mentioned were a list of past commitments/contacts (as Tania, our Liaison, is our data collection keeper) for the members to have a copy of. We discussed the issues with many professional entities are not receiving the grants necessary for paying the employees to attend a CPC presentation and how many of our contacts have not returned our calls, letters or have moved on from the employment position they were in when we were working with them.

Additional:

CPC Liaison Report from the International Convention and NERF-

I will attach the written notes Tania used to give the report, when I receive them. They are very detailed and it should be available to you in full. Thanks for your patience.
