

CPC Minutes Feb.10, 2026

CPC met on 02/10/26 at 6:30 pm. at 30 Carew St., S. Hadley. We had 12 in attendance, 7 of which were virtual. Ray, our Area31 Delegate was our invited guest.

Old Business: No current commitments or leads.

New Business:

- Mark C. sent out an email to AIC for a possible commitment with their senior students. He is waiting for a reply, the person he contacted has collaborated with CPC/Mark in the past.
- Matt mentioned that the prosecutors from the area are having a convention and he investigated to find out the convention is in Boston. Tania, our Liaison, is going to follow up with outreach to CPC from Area 30 while at NERF. Her other option is to contact the CPC desk at GSO. We are going to try to effectuate a commitment at the D.A.'s convention, if possible, and if not, at least maybe get some boards there.
- Bay Path Physician's Asst. program reached out to CPC via the CPC webmail and no one on the committee at meeting time has access to the webmail. We then voted that Tania should have access to webmail as well as any CPC Chair person.
- Springfield College's Recovery program headed by Matt Brownley reached out for a presentation. We decided on 04/09/26 to hold the presentation for them. it will be from 7-9pm at Spfld. Coll., Locklin Hall, rm.103.
- A possible lead was presented from Matt, it is for a group called "Lawyers Helping Lawyers", Matt is going to reach out to them.
- Tania's Liaison report indicated that we have 16 current contacts ranging from colleges, recovery centers, correctional depts., and the psychological field.
- Sam stepped down as Chair for CPC, initiating Greg to step down as Co-Chair. Sam has the binder with the CPC Meeting agenda and the like.

Final note- The committee is in desperate need of a Chair, Co-Chair and a Secretary.
