Met at 6:30pm at 30 Carew St. S.Hadley. We opened the meeting with Serenity Prayer.

The commitment at Springfield College on 04/09 went extremely well. CPC members met frequently prior to the commitment in order to be familiar with the format. Caren, our most recent former Chair, was able to retrieve the missing documents that were lost to us via the resignation of the incoming '26 Chair.

Liaison report: Round Up letter of Invitation, no responses yet. John F. will be doing our Committee Inventory, date to be narrowed down tonight. John and Judy exchange numbers to work out whether the Inventory will be 06/23 or 06/30.

Bruce from P.I. invited us to the Belchertown "Umbrella of Wellness" event on May 16th, where P.I. will have a table from 12-1:30 and 2:30-3:45. It's at the Chestnut Hill Community School.

Judy suggested a potential lead at a nursing home where Accessibilities is bringing a meeting to a patient(s). The current Activities Dir. of the facility is bringing non-alcoholic patients to the meeting for them to be entertained/ occupied. It's negating the purpose of Accessibilities bringing an AA meeting and potentially violates the AA patient(s)' expectation of anonymity. Maybe we can schedule a presentation to help them become better informed about AA and anonymity, and if not us, perhaps P.I.

Theresa reported that she sent Tania the physical addresses of the Veterans, Nursing Homes facilities for the Round Up Invitation letter to be sent to them.

P.I. and CPC are going to meet on 05/24 to coordinate for the Round Up.

Upcoming Commitments-

- Baystate Nursing Students, Chestnut St., Spfld. on 04/30 at 10:30am and 5:30pm, Matt H., Erin and Judy are fulfilling the commitment.
- Belchertown "Umbrella of Wellness" 05/16, Saturday.
- Round Up 05/29 and 05/30, predominantly 05/29 where we will have a presentation by former Delegates speaking on CPC. We also will have to be available to welcome the professionals who attend, via the Invitation letter.
- Bay Path 09/18 Friday, 1-3pm.

We closed at 7:30pm.

Thank you for allowing me to be of service,

Janet B., CPC Secretary
