# CPC Report from Sept. 8, 2026

CPC meets the second Tuesday of each month at 6pm. The meeting is available both, in person, at 30 Carew St., S. Hadley, and virtually.

This month's meeting brought 5 new attendees, 3 in person and 2 on line.

Reports: The CPC's Liaison stated that she has updated our database and the Co-Chair reported that she has visited District 3. The CPC Chair informed us that the previous commitments at Belchertown's Overdose Awareness event and the presentation to the Nursing students at A.I.C. went well. The Nursing students wiped out all the pamphlets we had on hand, which suggests that the presentation was highly effective.

Discussions: The committee continued reviewing the scope, structure and agenda of the committee.

The Chair handed out a list of professional fields CPC targets for commitments. She encouraged us to continue to reach out to the professional groups listed to obtain commitment, despite being well booked for September.

Three of the new attendees are college students, some in the fields CPC targets. Each is a potential commitment and the new folks are going to initiate acquiring the appropriate contacts for us to follow up with.

New Business: Matt H. brought the draft of the new board the committee is in the process of designing.We had discussion on sizing, verbiage, and the proposed QR codes. Matt was able to work with our Webmaster to determine if we could make a QR code that was CPC Area 31 specific and it was determined to be feasible. We also voted, unanimously, to use the LinkedIn CPC link as one of the QR codes that will be available on the board. The board draft also includes the Area 31 AA QR code and The Meeting app. The committee will meet again on 09/25/26 to continue development of the board.

CPC has a four more scheduled commitments this month. They are as follows:

09/10/26 Valor Peer Recovery, Springfield: Recovery City Movie Night, which is Q&A event, 5pm-8pm.

09/16/26 Valor Peer Recovery, Springfield: Recovery Month Event, staffing an information table, 11am-3pm.

09/16/26 Bay Path Univ., Longmeadow: Physician's Assistant Program, presentation commitment, 3pm-5pm.

09/17/26 CHD Drug Task Force, Springfield: presentation commitment, 10am-11am.

CPC's next monthly meeting is 10/13/26 at 6pm.

Grateful to be of service,

Judy H., Chair
